We are deeply grateful for your commitment to Growing Hope Globally and your Growing Project’s donation. We know it represents a significant investment of time and resources. There are several different designation options available for the funds you have raised. Each area is important to our work, so we ask you to prayerfully consider all options and then let us know what you decide.

Please return your designation form and check(s) no later than March 1, 2022.

You are welcome to designate your funds to more than one account - simply detail that on the donation form. Please e-mail or call your Regional Director with any questions.

1. **Designate to a Specific Overseas Program**
   Choose one or more overseas programs to support. Current funding needs for all programs can be found at growinghopeglobally.org/programs. If you wish to continue with a specific program you’ve supported in the past, be sure to reconfirm this each year.

2. **Designate to a Member Account**
   All of the programming we support is done through our member organizations and their trusted local partners. Funds designated to a member’s account support their current programs and allow them to start new programs. Our member organizations are:
   - Catholic Relief Services
   - Christian Church (Disciples of Christ) Week of Compassion
   - Church World Service
   - Covenant World Relief & Development
   - Lutheran World Relief
   - Mennonite Central Committee
   - Nazarene Compassionate Ministries
   - Presbyterian Church USA
   - United Church of Christ
   - United Methodist Committee on Relief
   - World Hope International
   - World Renew

3. **Designate to our General Programming Account**
   This account supports current programs, new programs that need additional funding beyond what is designated, and other programming costs.

4. **Designate to our Operational Account**
   10% of your donation automatically supports operational funding unless you indicate otherwise. This ensures that we can continue offering quality food security programs for you to support and allows us to connect with new and existing Growing Projects.

Thank you for partnering with us to help families around the world know the dignity of providing for themselves!
