

FFA Growing Project Grant Application

This grant has been made possible by Growing Hope Globally's supporters who care deeply about those living in hunger and want to encourage the next generation to develop and act upon a similar passion. We are grateful that your FFA Chapter has chosen to make a difference and respond to global hunger by getting involved in a Growing Project. Maximum grant amount is \$1,000. We look forward to hearing more about your project plans!

Application Requirements:

- ♥ Please complete the attached application and return to admin@growinghopeglobally.org along with the grant budget and a recent photo of your FFA chapter (optional, but encouraged).
- ♥ By submitting this application, you give Growing Hope Globally permission to use any photos you send us on social media and for other promotional purposes.
- ♥ Grant applications are accepted on a rolling basis and are due by the 15th of the month. You will be notified on the results of your application by the 15th of the following month.

Expectations:

- ♥ Grants are only to be used for Growing Projects that are raising support for Growing Hope Globally funded food security programs around the world.
- ♥ These grants are intended to give your efforts a boost and allow you to make a greater impact in a short amount of time. Grant funds can be used in whatever way you think will help the most. However, you are expected to stick with the budget you submit.
- ♥ The Growing Hope Globally staff person for your region will be in contact with you and can serve as a helpful resource as you launch your project.
- ♥ We hope to connect with you regularly during the course of your project, but please keep in touch and let us know if there are any key dates or special events that we should be aware of.
- ♥ Only one successful grant application per FFA chapter, please.
- ♥ Grants are intended to be used by the chapter as a whole and are not for individual use.

Tell us about your FFA Chapter.

Why is your chapter passionate about responding to global hunger?

How did you hear about the Growing Hope Globally SAE for All Career kit and/or grant opportunity?

A Growing Project is a community coming together to grow crops, raise animals or do other activities to generate funds for global agricultural development programs with Growing Hope Globally. What are your plans for your Growing Project?

How many students will be involved in this project and in what way(s) will they be involved?

Do you have plans to continue and build upon this project after the first year? If so, what do those plans include?

How will this project connect your chapter with the wider community? Who will you invite to join your efforts and how will they be involved?

Are you connected with an existing Growing Project? If so, what is your connection?

How will you use the grant funds if received? How would these funds advance or help to grow your project? Please attach a summary budget.
