

Recommendation for Board Director

Growing Hope Globally is seeking nominations for its board of directors. Board directors are volunteers who care about the organization, contribute financially and seek to recruit others to support it. Directors serve for a renewable three-year term. They either are part of a Growing Project or Partner Organization, or serve At-Large. There are four meetings per year, including two by phone and two in person (one of which is at the summer celebration).

Growing Hope's board desires to have a broad range of experience, skills, ages, backgrounds, denominations, ethnicities and geographic representation. We are searching for breadth of understanding and perspectives. We are particularly looking for people with experience in agribusiness, fundraising or human resources.

Name of person you wish to recommend for nomination: _____

Street Address: _____

City, State, ZIP: _____

Best phone number, including area code: _____

Email Address: _____

Occupation: _____

Demographic Information (optional):

Age Range: ___ 20-30 ___ 30-40 ___ 40-50 ___ 50-60 ___ 60-70 ___ 70-80+

Race/Ethnicity: _____ Gender: _____

Please give a brief description of this person's skills and experience and why you feel she or he would be a good board director, according to the qualities described by the Governance Committee. Can you name something about your nominee that would be an asset to the board and organization? You may attach documentation or comment here:

Please submit your complete form to kaitlyn@growinghopeglobally.org or mail to Growing Hope Globally, 4479 Central Avenue, Western Springs, IL 60558

Thank you for helping to ensure that Growing Hope Globally has a strong board of directors
