

Growing Project Designation Form

We are deeply grateful for your Growing Project's donation. We know it represents a significant investment of time and commitment. You have several options for how you can choose to designate the money you have raised. As each area is important to our work, we ask you to prayerfully consider all options. **Please return your designation form and check(s) no later than March 1, 2026.**

You are welcome to designate your funds to more than one account; simply detail that on the donation form. Please e-mail or call your Growing Hope Globally Regional Director with any questions.

1. Designate to a Specific Overseas Program

Choose one or more overseas programs to support. Current funding needs for all programs can be found at growinghopeglobally.org/programs. If you wish to continue with a specific program you've supported in the past, be sure to confirm that it is still in need of funding this year.

2. Designate to a Member Account

All of the programming we support is done through our member organizations. Funds designated to a member's account support their current programs, and help to start new programs. Our member organizations are:

- Catholic Relief Services
- Christian Church (Disciples of Christ) Week of Compassion
- Church World Service
- Convoy of Hope
- Covenant World Relief & Development
- Lutheran World Relief
- Mennonite Central Committee
- Nazarene Compassionate Ministries
- Presbyterian Church (USA)
- United Church of Christ—Global HOPE
- United Methodist Committee on Relief
- World Hope International
- World Renew

3. Designate to a Program Focus Area

All of the programs we support are focused on agricultural development, but they may also have additional focus areas depending on the local needs and opportunities. Funds designated to one of these focus areas will be divided among programs in the focus area still in need of funding. Visit growinghopeglobally.org/programs and sort by program focus on the upper left to see which programs are included. The focus areas are as follows.

- Animal Husbandry
- Community Savings & Loans
- Creation Care
- Empowering Women
- Water, Sanitation & Hygiene (WASH)

4. Designate to our General Programming Account

This account supports current programs, new programs that need additional funding beyond what is designated, and other programming costs.

5. Designate to our Operational Account

10% of your donation automatically supports operational funding unless you indicate otherwise. This includes ensuring we offer quality food security programs for you to support and can start new Growing Projects as well as expanding existing ones.

Thank you for your dedication to partnering with us to help people living with hunger know the dignity of providing for themselves!

Growing Project Designation Form

Growing Project Name: _____

Crop, animals, or other commodity (specify): _____

Does this represent all funds from the Growing Project this year? Yes _____ No _____ Not sure _____
