

Hope Dinner

Sponsorship Opportunities

6:00 PM Friday, July 25, 2025

Friendship Christian Reformed Church, Byron Center, MI

The Hope Dinner will be a fun evening filled with delicious food and stories of hope.

Attendees will have the opportunity to try a variety of foods from around the world, learn about Growing Hope Globally's unique Growing Project model and hear from our overseas program leaders and participants. Whether attendees have been supporting Growing Hope Globally for years or will be hearing about us for the first time, we hope they will leave this event with a better understanding of our work and the impact we are making in the lives of families and communities who struggle with hunger around the world.

Most of all, we hope attendees will consider joining us in growing lasting solutions to hunger.
