LEARNING VISIT

FEBRUARY 21-28, 2026

We will fly to Malawi to meet World Renew's local team, then drive into Zambia for a week of community visits. The World Renew team from Malawi will be assisting us with transportation but also taking the opportunity to learn from the Zambia team about how they implement their work in a different region. Following our visits, we will return to Malawi for the flight back to the U.S.

ZAMBIA LUNDAZI

This program, implemented by World Renew and local partner Central Church of African Presbyterian (CCAP), works with local farmers to increase their household food security by focusing on trainings that are inclusive, climate sensitive, promote dietary diversity, offer access to financial services, and strengthen the health of mothers and children.
